

SAFETY EVALUATION REPORT

Renewal of the DOE Certificate of Compliance for the
Beneficial Uses Shipping System [BUSS (R-1)] Cask

Docket 03-9-9511

By application dated March 22, 2002, the DOE Richland Operations Office requested renewal of Certificate of Compliance USA/9511/B(U)-85 (DOE) for the Beneficial Uses Shipping System [BUSS (R-1)] cask. The applicant did not request any changes to the package design or authorized contents. In information provided subsequently, the applicant stated that there have been no changes to the package design, hardware, operating procedures, or Safety Analysis Report for Packaging since the last certificate revision. The staff reviewed the documents referenced in the certificate and determined that the documentation was available and complete. Paragraph 5(b)(1) of the certificate was revised to update the reference to the special form requirements of 10 CFR Part 71.

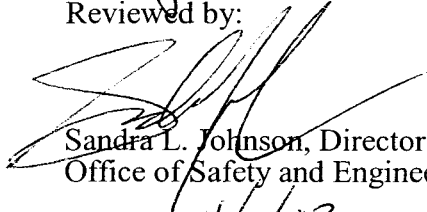

Accordingly, the certificate has been renewed for a five-year term that expires on March 31, 2008.
